HOW TO BUILD YOUR GRID

PROMPTS FOR EVERY PILLAR · RENAME ANY PILLAR TO FIT YOUR LIFE

1. THE CENTER

If the money and the time were handled, what would you build? One sentence, present tense, in your own words. Write it in the middle box.

2. EIGHT PILLARS

The areas of life that have to be strong for your center to happen. Start with the eight below, then rename any that don't fit your life.

3. SIXTY FOUR MOVES

Eight small, specific moves under each pillar. Things you could actually do. Then post your center goal in the Build Until Community: builduntil.com/community
